I DEMAND MILITARY INCARCERATION OF BONZO (one pissant Paul Hewson of Ireland) AND FOR IMMEDIATE TERMINATION BY A FLAMETHROWER AS ENEMY COMBATANT FORIEGN, OF LOOPTANK FACTION TERRORIST GROUP ASSOCIATED WITH IRA AND POPISH CONSPIRACY SATANIC ON MY NATION, THE UNITED STATES OF AMERICA, CENTRALLY TARGETING MY SPECIFIC PERSON, AND UPON ACCUMULATIVE PROOFS!

ILLEGAL PREJUDICIAL DENIAL, ABUSE
OF PROCESS AND DISCRETION, AND
ERROR!

Do TAKE NOTICE,

I, Jacob (James E. Horton during interim of obstruction to needed administrative name-change, of name at birth, by others, and only as naming for record files retroactively generated, to be consistent, which needs effecting, and since otherwise, a real change relevant has effected...), hereby JUSTLY DEMAND REVERSAL of errant disposition of ALJ on 08042021 in this matter, and for it to "reopen" for "continuation" of its pendency. THAT MEANS: FOR IT "STILL TO PEND."

This action is based on the attached supporting Declaration, all papers filed and records in this action, evidence accessible for delivery in precedentially anomolous and exigent circumstances described within Claimant's previous pleadings on record) by Claimant's website at www.bboip.wordpress.com by link to evidence casefile (webpage), "JCTF vs SACDHA et al" (or at URL: <https://bboip.wordpress.com/jctf-vs-sacdha-et-al/>); and, actually "JCTF vs. SACPD et al." page @ <https://bboip.wordpress.com/jctf-vs-sacpd-et-al/>, and "JCTF vs. County of Yolo et al." page @ <https://bboip.wordpress.com/jctf-vs-county-of-yoloyet-al/>;

JOINDERED MATTERS AT ISSUE HAVE ACCUMULATED SEVERITY,

ISSUES, AND BODY OF HISTORY AND FACTS, DUE TO PRICRASTINATION OF PREJUDICIAL AND CRIMINAL NEGLIGENCE OF PUBLIC OFFICIALS (AS REPRESENTING CONTEMPORARILY) AND MOST GROSS EVER GOVERNMENT MISCONDUCT IN LONG PROTRACTED TRAIN (THEREFORE UNRESOLVED BY THEIR CONSTANT ILLEGAL OBSTRUCTIONS); THEREFORE, IT IS OBLIGATORY AND MANDATORY, WITHOUT EXCUSE OR RATIONALIZATION, FOR SAME TO HANDLE AND TO DEAL WITH, BY CONFRONTATIONS ADDRESSING, THE WHOLE CONTEXT WITH FULL ACKNOWLEDGEMENT FOR FULL RECOURSE IN ALL SAID JOINDERED MATTERS SINCE NECESSARY IN THE TRUE INTEREST OF JUSTICE!

DECLARATION IN SUPPORT

Whereas, on 08042021, ALJ ordered:
"The claim is dismissed."

Whereas, said opinion of ALJ
communicated as follows:

"SUMMARY You did not appear for the hearing on August 02, 2021 . Your appeal is dismissed" ;
"A notice of hearing was sent to the last address given to State Hearings. The notice listed the date and time of the hearing. It was not returned in the mail" ;
"You did not ask for a postponement before the scheduled hearing time. You or your authorized representative did not attend the scheduled hearing" (AbandonmentDecision-NonAppearance. SHDN: 14736662).

Whereas, ALJ's averments were blatantly, maliciously perjured and false mistatements; Claimant, in fact did file, and as on record, Demand for *Continuance" to adjourn proceedings with fully meritorious cause in good faith on (date); Claimant did wait at a remote location for scheduled phone call with intent to orally assert the *continuance at 1000 AM on 08022021; ALJ defaulted in Gross Prejudice; Claimant never received scheduled phone call aforesaid at phone number: (916) 562-5584 on record (an Obama cellular phone

record (an Obama cellular phone account); Claimant's phone call history has never recorded received phone call as described on date (see: 210802LptnkHrssmntJCTFvsSACDHA1Flr2ApprByPhnDflt104736662.mp4 @ <https://youtu.be/i-1ErTmBI3c>); Claimant has since suspected rerouting to a false, impersonating Third-Party in RICO Conspiracy... Again...

Whereas, ALJ has maliciously defaulted by total Ignorance, violating Due Process and Compulsion Rights, on Claimant's compulsions, and Defendant Agency has Maliciously withheld depriving Claimant's preparation for Oral Statements for deliberation in matter AGAINST THE LAW!

Whereas, ALJ's malicious action aforesaid was conspicuously timed to be reactionarily Prejudicial and Malicious to: Claimant's filed Letter of Demand to Compel Identification Record pursuant to Public Information Act and Disclosure of Discovery by APA and Manual... to ensure faithfulness and accuracy of said record of Claimant's Identity as relevant at issue within Claimant's pleadings on record; Defendant Agency is withholding maliciously; ALJ is obstructing in violation of Fundamental Rights at issue further Evincing RICO Conspiracy per necessary avernments addressing of Claimant! Letter included attached: proofs of

included attached: proofs of identity record on previous dates years prior reentered into this administrative record (reference).

Whereas, ALJ disposition at issue included statement:

"APPEAL RIGHTS Your hearing decision is attached to this letter. If You Disagree with Your Hearing Decision Reopen Your Appeal You can ask to reopen your appeal. To do this, you must give a good reason for not attending the hearing. This must be done within 30 days of getting the decision. If you are not able to ask to reopen your appeal within 30 days, you must tell us why you could not file within that time. We may still be able to reopen your appeal if you had a good reason for asking late. You can ask to reopen your appeal. If you move or change your phone number, tell us right away. If we do not have the right information, you may miss a notice or your hearing. Contact us in one of the ways below: Online Appeals Account:

If you are not able to ask to reopen your appeal within 30 days, you must tell us why you could not file within that time. We can still reopen your appeal if you had a good reason for asking late."

(AbandonmentDecision-NonAppearance. SHDN: 14736662).

Whereas, therefore, and post long train of client and claimant mistreatment, by malicious and prejudicial abuses of process betraying malice intent of defendant agency and venue agency for inference, Claimant justly and reasonably suspects Abuse of Process, in same RICO Conspiracy at issue in matter,, of organized crime record and identity tampering, by scheduling simultaneous hearing dates, by differing means and locations, to multiple parties (one being Third-party illegally misrepresenting to be myself fraudulently), while ACMS case-management system stores two differing casefile records, for two seperate parties fraudulently accessible by two differing usernames and passwords, with the other than mine being fraudulently counterfeit inaccessible to myself intended to

replace my own accurate and official caserecord of case:104736662, record of case initiated by myself, (see my own accurate casefile record maintained, included retrieved database records corroborating from ACMS account, @ "JCTF vs. SACDHA" page @ URL: <https://bboip.wordpress.com/jctf-vs-sacdha-et-al/> , when: notice sent to myself was communicated to be notice of a "phone hearing" (even though I waived hearing by right opting to Demand electronic Alternate Procedure pursuant to APA and within manual of procedural rules as specified with deliberation upon AV records of Oral Statements), and also while, simultaneously, even though policies corresponded to myself communicated that all proceedings at DSS were to be by telecommunication means due to Covid, again conspiratorially exploited ulteriorly motivated in the Looptank conspiracy it really only is of, recorded location of hearing to be: "Hearing Time: 08/02/2021 1000 AM Location: 444N 3rd St. Suite 100, Sacramento, CA 95811" (see attached: 210802CImntsPstpnmntbyACMS ScrnshtLog.pdf).

Wherefore, said decision of ALJ on 08042021 Gross Abuse of Discretion Obstructionist and Actually

Obstructionist and Actually
Heinously Hostile, equivalently to
communicating (which I am sure, by
the act, you did amongst parties
Ex Parte), "_uck you" to
Claimant's Fundamental Rights to
Due Process, Life, Limb, Liberty
and Property by Persecution Idly
by an escapist nonaction action as
misconduct you must reverse;
especially since: 1. Claimant
demanded discovery of
identification on record, for
purposes aforesaid, after abuses
of process withholding, when
Claimant avers upon proofs abuse
of electronic means of
surveillance while he has intended
to procure birth certificate by
mail from near Scranton,
Pennsylvania, Joey Biden's
hometown, upon this record
administratively attached to my
EBT account as proof of identity
and with recent mail from same
agency to fulfill requirements
from an action of notice, but then
Sacramento police officers
colluded to steal my personal
papers and effects approximately
one year ago, while Veteran's
services prejudiced denying human
assistance at issue, and 2. agency
is definitely colluding in satanic
scheme against my person per
averments previous... Therefore,
it is Obligatory upon same ALJ,
pursuant to all applicable law, to
"reopen" SHDN: 104736662
immediately, with Stay of
Proceedings until Full Delivery of
Discovery Compelled by Claimant,

and then fourteen business days,
in the Interest of Justice in
Equity!

[NOTE: Please, this time,
reference your legal term
dictionary for comprehension of
terms within! Are you really truly
credentialed,
competent to be qualified for
representing positions? Who hired
you? Record evidences that you are
imposters planted by RICO
saturating without requisite
literacy! This is all REALLY NOT
FAIR! Restrain malicious bias!]

*[Please be advised: Therefore, I am joinder this gmail information record reporting joindered acts to Report:21-144959, of same Conspiracy to Commit Various Crimes as per past informations, as supplement: (filename). WARNING: Information here within is within context of a whole body of evidence of Conspiracy aforesaid. Therefore, Retain whole do not isolate out of this context. Such act will be ipso-facto prejudicial criminally against my Fundamental Rights. See further below]:

At Chevron gas station (65th. St.), between hours of 8:00 and 9:00 AM: Hispanic/Negro gangmember (conspicuously) stranger approached myself unprovoked, without even my initial attention, attempting efforts to begin usurpation for human trafficking by organized crime network enemies (kidnapping by durress), and/or provocation of incident in plot to false arrest in collusion with enemy law enforcement (so-called as self-representing, communicated

Threat of physical assault with Provoking Fight Words, "I'll (expletive) you up if you say anything to me! What? What?" etc. An invisible angel of the Lord of Hosts restrained him after he approached face to face. He walked away from self to converse with one of his commune members (another stranger) who had been screeching schatalogies at table prolonged efforting incident provocation. I left having no further business at store location (a public place but not my residence).

Culprit Description: He is a thin crackhead, approximately 5',6" or 5',7" adolescent in his sixties approximately.

Subpoena of surveillance record: Surveillance footage is procurable at location! It is within obligation per Scope of Duty to Investigate by procuring. I hereby demand delivery of said discovery, necessary for preparation of Due Process matters! And I demand his Arrest as harm on streets! I have cause to be certain that your organized crime affiliations have assigned him to be loose on these streets and that you were involved, in Retaliatory Malicious plot, to send him as foot soldier on assignment! CEASE!

ADDITIONAL FACTS

Multiple previous incidents of assaults by same culprit with a pattern: Approximately a year ago,

pattern. Approximately a year ago, Once, culprit planted as security guard obviously unemployable and while mimicking manners and tactics by exploiting such function of Malcolm X against targets, in collusion with management Chinese gang saturated, differentially, hypervigilantly and unreasonably accosted, behaving under influence of meth, about my backpack instant I entered Dollar Tree on Folsom Blvd., and in malice intent to instigate and provoke police involved incident with communicated threats of violence as harassment for only one shift (conspicuously by conspiratorial premeditation conjunct with stalking to monitor my private activities networked). Shortly thereafter, in similar context as Malcolm X method paraSecurity Guard for one shift at Punjabi-Sikh owned 7/11 store on 65th St.: unprovoked same culprit harassed to instigate and provoke differentially and hostile communicating threats of violence and to physically remove myself from the "public" property since "public place of accommodation ostensibly open to the public" with ulterior motive: perpetrated maliciously predisposed in malice and belligerence while invading personal space, accusation frivolous about "standing where (he) (was) about to sweep" within the whole store which was clerk counter during transaction for a purchase while in process. I

verbally corrected him, completed transaction and left. Next morning: he woke me up hostile while from behind a fence at my current sleeping location nonpermanent shouting abuse calling myself fight words, "Punkass bitch!"; communicated threats to step on my head while I am sleeping and to never "disrespect him again" as gang member typical sociopathy saying, "you don't know who I am bitch... but I'll beat your ass motherfucker... you don't own the streets" implying meaning as a human trafficking pimp targeting attention with intent to Duress against my Fundamental Rights with Grandiose Delusions of territorial authority completely illegitimate! Incidents have happened according to pattern: 1. ... occur shortly after some incident at a working wifi location (such as frequently Starbucks) of issue with attention on my unpacking of my crucifix, as a Proto-Orthodox Judeo-Christian and Figure in Contemporary Matters... while figurehood and matters are guilefully denied simultaneously during its overbearing Harassment of Public Clamor by a guileful and vast occult network in said conspiracy by joindered acts incalculable which his ulteriorly motivated (for collateral diversion) is actually incident to; 2. as posing oppositional in perpetration with hostile malice, he conspicuously, during each incident, flaunts

during each incident, identifies militantly a trashy imitation silver, yet plastic and large, thick chain with a large cross pendant dangling with cheap imitation sequin borders as an instigating, paranoid, hostile persecuting Heretical Cult Leader Pimp despicably.

RULE OF LAW

{What is CONSPIRACY?

In criminal law. A combination or confederacy between two or more persons formed for the purpose of committing, by their joint efforts, some unlawful or criminal act, or some act which is innocent in itself, but becomes unlawful when done by the concerted action of the conspirators, or for the purpose of using criminal or unlawful means to the commission of an act not in itself unlawful. Pettibone v. U. S., 148 U. S. 197, 13 Sup. Ct. 542, 37 L. Ed. 419; State v. Slutz, 106 La. 182, 30 South. 298; Wright v. U. S., 108 Fed. 805, 48 C. C. A. 37; U. S. v. Benson, 70 Fed. 591, 17 C. C. A. 293; Girdner v. Walker, 1 Heisk. (Tenn.) 186; Boutwell v. Marr, 71 Vt. 1, 42 Atl. 607, 43 L. It. A. 803, 76 Am. St. Rep. 746; U. S. v. Weber (C. C.) 114 Fed. 950; Comm.

v. Hunt, 4 Mete. (Mass.) 111, 35 Am. Dec. 340; Erdman v. Mitchell, 207 Pa. 79, 56 Atl. 327, 63 L. R. A. 534, 99 Am. St. Rep. 753; Standard Oil Co. v. Doyle, US Ky. 602, 82 S. W. 271, 111 Am. St.

Rep. 331. Conspiracy is a consultation or agreement between two or more persons, either falsely to accuse another of a crime punishable by law; or wrongfully to injure or prejudice a third person, or any body of men, in any manner; or to commit any offense punishable by law; or to do any act with intent to prevent the course of justice; or to effect a legal purpose with a corrupt intent, or by improper means. Hawk. P. C. c. 72?

(<https://thelawdictionary.org/conspiracy/>). Conspiracy

I. A combination or confederacy between two or more persons formed for the purpose of committing, by their joint efforts, some unlawful or criminal act, or some act which is lawful in itself, but becomes unlawful when done by the concerted action of the conspirators, or for the purpose of using criminal or unlawful means to the commission of an act not in itself unlawful. A person is guilty of conspiracy with another person or persons to commit a crime if with the purpose of promoting or facilitating its commission he: (a) agrees with such other person or persons that they or one or more of them will engage in conduct which constitutes such crime or an

constitutes such crime or an attempt or solicitation to commit such crime; or (b) agrees to aid such other person or persons in the planning or commission of such crime or of an attempt or solicitation to commit such crime. Model Penal Code, § 5.03. Crime of conspiracy is distinct from the crime contemplated by the conspiracy (target crime), *Com. v. Dyer*, 243 Mass. 472, 509, 138 N.E. 296, 314, cert. denied, 262 U.S. 751, 43 S.Ct. 700, 67 L.Ed. 1214. Some jurisdictions do not require an overt act as an element of the crime, e.g. *Com. v. Harris*, 232 Mass. 588, 122 N.E. 749. A conspiracy may be a continuing one; actors may drop out, and others drop in; the details of operation may change from time to time; the members need not know each other or the part played by others; a member need not know all the details of the plan or the operations; he must, however, know the purpose of the conspiracy and agree to become a party to a plan to effectuate that purpose. *Craig v. U. S.*, C.C. A. Cal., 81 F.2d 816, 822. See also Combination in restraint of trade; Confederacy; Wharton Rule. Civil conspiracy. The essence of a civil conspiracy is a concert or combination to defraud or cause other injury to person or property, which results in damage to the person or property of plaintiff. Joinder. Joining or coupling together; uniting two or more constituents or elements in one; uniting with another person in some legal step-Of proceeding; union; concurrence. The consent to an agreement or document by a party who has an interest in the subject matter of the agreement or document, but who is not himself an active party to the agreement or document. Collusive joinder. The joinder of a defendant, commonly a nonresident. Compulsory joinder. A person must be joined in an action if complete relief cannot be afforded the parties without his joinder or if his interest is such that grave injustice will be done without him. Fed.R. Civ.P. 19(a). Joinder in issue. In common law pleading, a formula by which one of the parties to a suit joins in or accepts an issue in fact tendered by the opposite party, Also called ~~similiter~~. Joinder in pleading. In common law pleading, accepting the issue. and mode of trial tendered, either by demurrer. error, or issue. in fact, by the opposite party. Joinder of claims. Under rules practice, a party asserting a claim to relief as an original claim. counter claim, cross claim or third party claim may join as many claims as he has against an opposing party whether they are legal or equitable.

Fed.R.Civ.P. 18(a); New York C.P.L.R. ? 601. Joinder of defendants. Two or more defendants may be charged in the same indictment or information if they are alleged to have participated in the same act or transaction or in the same series of acts or transactions constituting an offense or offenses. Such defendants may be charged in one or more counts together or separately and all of the defendants need not be charged in each count. Fed.R.Crim.Proc.

8(b).. Joinder of offenses. Two or more offenses may be charged in the same indictment or information in a separate count for each offense if the offenses charged, whether felonies or misdemeanors or both, are of the same or similar character or are based on the same act or transaction or on two or more acts or transactions connected together or constituting parts of a common scheme or plan.

Fed.R.Crim.Proc. 8(a). Joinder of parties. The act of uniting as parties to an action all persons who have the same rights or against whom rights are claimed, as either co-plaintiffs or co-defendants. Fed.R.Civil P. 19 and 20. Necessary and indispensable parties. Prior to 1966 the federal, and most state, courts used classifications to determine if a person should or must be joined in an action. The label "indispensable" was used if the connection to the action of the

absentee party was so close that the action should be dismissed unless the party was joined. The label ♦necessary♦ was used if the party was one who ought to be joined if this was possible. These classifications proved

unsatisfactory and in 1966 Fed.

Rule of Civil Proc. 19 was replaced with a new Rule 19.

♦Joinder of Persons needed for Just Adjudication.♦ Rule 19(a) defines the class of persons who are needed for just adjudication. If an absentee meets this test, and is subject to process, the court must require that he be joined. If the absentee is needed for just adjudication and is not subject to process, Rule 19(b) states the factors to be considered in deciding whether to proceed in his absence or to dismiss the action. Proper parties. If a party has some relation to the action, but it is not so close as to make him a person needed for just adjudication within Rule of Civil Proc. 19(a), he is a ♦proper♦ party, and the plaintiff has an option whether to join him if the tests of Rule 20 are met. Joinder of remedies.

Whenever a claim is one therefore cognizable only after another claim has been prosecuted to a conclusion, the two claims may be joined in a single action; but the court will grant relief in that action only in accordance with the relative substantive rights of the parties. In

particular. a plaintiff may state a claim for money and a claim to have set aside a conveyance fraudulent as to him, without first having obtained a judgment establishing the claim for money. Fed.R.Civ.P. 18(b)♦

Levying war. In criminal law, the assembling of a body of men for the purpose of effecting by force a treasonable object; and all who perform any part, however minute, or however remote from the scene of action, and who are leagued in the general conspiracy, are considered as engaged in levying war, within the meaning of the constitution. Art. III, § 3, U.S. Constitution. See also Insurrection. The words include forcible opposition, as the result of a combination of individuals, to the execution of any public law of the United States; and to constitute treason within the Federal Constitution, there must be a combination of individuals united for the common purpose of forcibly preventing the execution of some public law and the actual or threatened use of force by the combination to prevent its execution. *Kegerreis v. Van Zile*, 180 App.Div. 414, 167 N.Y.S. 874, 876. (Black's Law Dictionary).

DO NOT HARASS WITH ANY MORE ATTENTION AT ALL THEREBY RESTRAINING MY JUST CAUSE TO RECTIFY, and all Incidents have and do cause malicious damages of time-waste and delay each time as harassments WHICH YOU MUST CONSIDER; therefore, I will, to reiterate since nothing seems to get through skulls since Occultic Looptank cooperation that has caused Looptank Effect Syndrome, the mass psychogenic hysterical epidemic (when Covid does not even exist... But Looptank Effect Syndrome is actually the epidemic that this delusion is result of with its bizarre behavior and societal complacency with as specifically cooperation with Xi Jinping of China a core contagion as plot on one person specifically and this is actually the truth) hysterical to clamor about one person, which is a Phenomena that has occurred in history yet never on same scale, and with its mental state aberrations pervading, it includes that such obvious is always guilefully denied to this target... I will consider such act to be Malicious colluding in same Conspiracy... And now go back to the top and read over again and again yourself to comprehend and

The exclusionary rule is a legal

the people who accept the

You did not appear for the hearing
on August 02, 2021. Your appeal
is dismissed. FACTS You asked for
a hearing on April 21, 2021. Your
appeal was about the following
benefit(s): CalFresh A notice of
hearing was sent to the last
address given to State Hearings.
The notice listed the date and
time of the hearing. It was not
returned in the mail. You did not
ask for a postponement before the
scheduled hearing time. You or
your authorized representative did

not attend the scheduled hearing. LAW State Hearing regulations are published in a Manual of Policies and Procedures (Man. Pol. & Proc.) and California Code of Regulations (Cal. Code Regs.). A hearing request will be dismissed if it is abandoned. An appeal is abandoned if you do not attend the hearing, or send a representative. You have the right to ask to reopen the appeal. You must show there is a good reason for not attending the hearing. The request to reopen must be made within 30 days of the date you received the dismissal decision. (Man. Pol. & Proc. ♦ 22-054.221-.222; Cal. Code Regs., tit. 10, ♦ 6610.) CONCLUSION You did not attend this hearing. You did not send a representative to the hearing. No one asked for a postponement. The hearing request is dismissed. You may ask to reopen the appeal. To do this, you must give a good reason for not attending the hearing. This must be done within 30 days of getting the decision. If you are not able to ask to reopen your appeal within 30 days, you must tell us why you could not file within that time. We can still reopen your appeal if you had a good reason for asking late. ♦ Opinion of ALJ betrayed prima facie confirmation of my complaint of RICO crimes of Conspiracy by this colluding act! 5. Methhead Ampol Nomadite aforesaid continued to harass and with communicated threats and Fight Wards outside then, being restrained and cast out by invisible angels, acted obstinantly to attempt obstruction of sidewalk as my path obviously in malice intent for illegal restraints and to continue perpetration and aggression against my intent to Instigate and for harassing with incident of police involvement, etc... per motus operandum pattern recurring and motives and intents if Looptank... After while, she continued on toward gas station convenient store AM/PM assuming it to be

store AM/PM assuming it to be, conspicuously, per stalking and harassment pattern in malice intent. I had communicated, during discussion about power washer with employee who initiated, I actually intended to leave before close, which was aporox. 2:30 PM; I was aware of the powerwash sheduling: I intended to be leaving and began to... I repacked property to leave during time Methhead obstructed sidewalk while actually disturbing peace was demonaic and schatalogical and disoriented behavior with obscene yelling babble and dense with communicated threat language in spot on sidewalk she assumed I would leave along... She arrived post myself, stalking to harass to Perpretrate and Aggress per motives and Intents harassments against my own Intent... It included premeditation to falsify for false accusation per Looptank Effect Syndrome to reverse accuse myself Retaliatory to my activities network opposes hostily... 6. Intent also Conspicuously includes: Recurring pattern in Conspiracy to Commit Deprivals of Resources against my Presumptive Due Process Rights as Illegal Attempts to Disrupt and Obstruct in Long Protracted Train per past infirmations (I DEMAND you reference) 7. Simultaneous with methhead's Public Nuisances on the sidewalk: Same lady claiming to be Maria's Landscaping on previous date, subject of report of incudent of harassment; within which I communicated intent

within which I communicated intent to obtain Restraining Order against her for her motus operandum pattern of harassments conspicuous to be in collusion in same conspiracy, arrived and again began harassing, immediately approaching toward my person to speak boisterously, instigatively, and attitudinally to exacerbate simultaneously as accumulated harassment in cooperation, and with CAUTION tape, which really was unnecessary for the task to powerwash an empty patio after close, just as I was leaving... 6. An amount of time prior to close incident: an officer did arrive, stayed a distance, phoned, as I overheard, that he received another malicious false-report knowing I was caseworking during extreme difficulties from time-waste and delay causing harassments as per aforesaid... actually it was exactly this incident reported in Bboip Beacon Blog Record, See: 08302021 Re:08282021 JCTF Corresponds to U.S. Commission on Civil Rights and Press Release

crimes of conspiracy as charges for deterrence since in collusion... 7. Last night, 08292021: Joindered incident act of Stalking Harassing by other Ampol Nomadite ar Chevron on 65th St. when he did begin illegal activity of smoking meth and flaunting... before me in spite (my abhorring nonconconence nontolerant is known) arrived post myself, while, as conducive location, I caseworked ob same objectives as aforesaid... With same Looptanj Motives and Intents, upon arrival, Premeditatively and sociopthathically perpetrated and aggressed reverse accusations provokingly in same pattern retaliatory to my preparation for actions for Restraining Orders against them, as within Information and Cease and Desist Letter I am preparing, and while under Workproduct Rule anf Privacy Rights Violating Harassments, communicated, as his perpetration, provoking threats and fight words and of violence attempting restraints of my liberty and speech yelling commands at me to not stalk him, not to make any noise around him by coughing, move aeound him... and consistent with recurring pattern I am pursuinfg Restraining Order Against them... And in advance... this is to justify with this support and following declaration, in advance, and to legally prepare communicatively, when and if I ever have cause to KILL any of them, it will be totally legal with Excusatory Defense ivstifiable against any

Defense jystifiable against any criminal accusations against myself, with JUST CAUSE in self-defense apropos... You have been informed of the support and it us with full merit... SO DO NOT LOOK MY DIRECTION when incident occurs that I do defend myself and my just causes by killing any particular number of them... and multiple times I have informed of their crimes to only Prejudice if Crimibal Neglect of Law and Order requisite and mandatory law enforcement protection... so this us what I am left to... So, now Justified in advance with your knowledge of the support, I openly am being ninguilefully sincere, informing you that: I will obliterate them as I could have always done each time and such act is to be totally immune... or any act toward myself in response will not be taken lightly with acceptance either... and thus is totally straight forward... I will smash their skulls, tear them apart with my bear fingernails, and if I see zBrian Warner in my eyesight, I am going to end his breathung, send him to hell where he belongs (oh... the deviant you are colluding with as well), and rip his goofball out of his eyesocket and squash it because it is an abomination... and go on with my causes with total liberty ... totally immune do you understand me?!

DEMAND: I DEMAND culpable parties' arrest for justice of deterrence

All acts herein certainly proven and by conspicuous timing to be joindered as in collusion conjunctively i cooperation together in same conspiracy... (DO REFERENCE BBACKGROUND OF INFORMATIONS!].

ANOTHER JOINDERED ACT INCIDENT:

Approx. 9:30 PM, Little n nigger of gang committed another joindered act conspicuously timed in another escalated dynamic fluctuation with: 1. another deprivation of service at Public Accomodation Place, Arco on 65th St., 2. Communicated threats, nprovoked to kill me in my sleep, "(he) is in this hood," consistant with nigger gang of Obama's from Chicago police chief Hahn is colluding with in same Looptank Conspiracy; 3. Day prior evinced to be Retaliatory Maliciously hyperreactionary to casework activities of that day 0i292021 at issue when, during fhis unprovoked fight words and communicated threats, which were repeated 08302021, to kill me in my sleep with very arrogant, self-entitled sociopathic attitude, also communicated intention that he was "going to tell (my) mama and dada" accusing me of "talking shit" in his store like an immature Pube! SUBPOENA: Surveillance footage is procurable. Per Duty to

Investigate, I demand procurement by your Investigate Unit and I hereby subpoena and demand delivery of to myself by email (at address: jaakovos@gmail.com) converted to usable format of .mp4 to not technically harass for further delay damage causing harassment. His yelled disrespect betrayed attention by means in same conspiracy on my activities of the day as a hostile interest, when on previous incident, he betrayed to be a party in "disoriented competition" referred to in these actions of same day to steal and replace my identity in RICO conspiracy. In previous incident recorded, he flaunted that his name is James Horton, he wears a nametag reading "James" and betrays., ith a maliciously predisposed attitude, a psychotic personal issue on subject and at issue and instigates attitudinally calling me young man. I responded only, on date of 8292021, "my birth certificate had James E. Horton on it 51 years years ago young man" leaving after a purchase. It was a customer complaint for psychotically differential treatment. He is added to a large lawsuit on joindered matters of same issue! He ran out of the store in animos and committed verbal acts aforesaid. They betrayed his personal insecurity issues and involvement in Looptank

Conspiracy! I DEMAND THE JUSTICE OF LAW ENFORCEMENT DETERRENCE BY HIS ARREST ON CHARGES OF ALL

Descriptions and logs of account content will be published herein from copious records and linked. These actions provoke cause for legal confrontation some time to be considered soon amongst harassments to confront on my task list countering the barage of joindered acts of persecutorial conspiracy which has escalated incrementally since reporting by means available. Pittsburgh (near my town of birth) at the suggestion of Obama (an associate of relatives I have never condoned and have disowned) in secret treason with Russia and China. An illegal, secret contract (defying law relevant to treaties) was formed (but illegal contracts are null and void). They sat at a table and lied to each other as Daniel prophesied. They are MAD! * This Was My UTR Playlist

By anomalous word-wrap, service has conspicuously obscured following description text:

SEE "This Was My UTR": This was research and Workproduct preparing for Redress of Grievances against Government Misconduct involving FISA and other UnConstitutional violations stretching to abuse Post-911 policies. The documents are "Personal Papers and Effects." The Misconduct has caused severe damages. ¶ For personal filemanagement, I filenamed the casefile with an acronym for a code-name type of appellation for an initiative category. Spontaneously and impromptu, I quickly derived and wrote "UTR" on its file folder. This also functioned well as a directory name for my netbook's file system. Actually, I call the case something like "JCTF vs. Bush et al." I have served in the Air Force during the Bush administration. Then, I learned of these genealogical relatives' roles in Satanic, Globalist, UnAmerican and Treasonous Conspiracies for certain. ¶ I've been aware: Malicious UCMJ Infractioners and relatives

connected to federal agencies became obsessed (overzealous), per surveillance Misconduct, with Retaliation against this they schizophrenically dubbed, "The UTR." Amongst intrusions, they obsessed to "Look for the UTR" and have illegally hacked it incalculable number of times. (Hydzik, in motivating conspiracy to commit... is obviously one major culprit involved because I "was doing something" adult in my life.)¶ This was motivation of Police Misconduct, including a Pretextual False Arrest, in Yolo County, CA. This County, I have discovered, was a stronghold of my enemies. This was unbeknownst to me when I walked into West Sacramento, on my direction toward objectives, in 2013. This began more joindered cases with intent, amongst others, to disrupt by their criminal harassments. Since, per discovery, I have inferred the suspicion that this county is such stronghold because it may be the residence of Arnold Schwarzenegger. He has been a connectivity of close, biological relatives of mine through occultic organized crime. This is connectivity with a secret faction obsessed with Ayn Rand Objectivism for treasonous and AntiChristian ideology. Despically, recording minstrel troupe, "Rush," (through church of satan connectivities) is hierarchically prominent in said faction as philosophers by the occupational front. Per Looptank Parol Testimony, member Neil Peart, by same front inappropriately glorified mis-valued, usurps himself as and is considered a global, demonic, "overlord" originally from Toronto (who then migrated to England, trained with Occultic affiliation of "British Invasion" faction, Bill Bruford, to correct trap-set percussion technique he formerly had invented as "The Praying Mantis" while gigging with local, Toronto amateurs named "Mumbling Something" inspired by interest in Hannah Barbara cartoons. Hannah Barbara cartoons, Ginger Baker, Kieth Moon without music instruction on his alleged instrument(s) as a teenage self-styled-satanic, numb-skulled and nimrodic habitual dooper. He stupidly became overly enthused with Ayn Rand literature and its congruencies with skinny black book content. False-credentialed (typically amongst...),

he recieved favors in pact with occultic assignments involving clairvoyance and divination I, myself, am central target of, by volitional zeal and natural connectivities. By members of my disowned family, flattered by a history associated with Rock and Roll with Elvis affiliation, he was assigned, in conspiracy, to front, and per subversive motives, with the Atlantic Record contractees aforesaid.

It has been corroborated convincingly to myself by Looptank Parol Testimony: these three of said troupe, during planning of assignment, co-labored with my biological father, Krinkly Moron, as bricklayers for a sub-contractor most likely as college job heir to a Horton family Trust of relations residing in Middletown, NY. They are an occultic genealogy devil-worshipping and central conspiracy by divination is per intent since my birth to practice first-born son sacrifice to Molech as Skull and Bones also practices connected to same genealogy amongst multi-factional connectivities and affiliations. I have nondelusionally witnessed the creep, Neil Peart, also stalking myself conspicuously. One lication was Woodland, CA which I was illegally restrained to by Violations of Speedy Trial Rights. I am still laboring to conclude matter (amongst my multitude of matters Harassed with) as nonresident to CA refusing CA residency Against Extreme resistance of Undue obstruction and Warring Misconduct and through organized crime network!

And furthermore, please relay to appropriate bureaus and officers, (as herein corresponded by procurable means of modern gmail heretofore as within) the following:

Desist harassing, and by and through Interpol, or any other (and if it may be subordinate to the U.N. and its National Security Council, which does not legitimately or legally rule within my borders with its own National Sovereignty since Independence of 1776 (and I do type, "Go Spirit of '76" consistent with my heritage and tradition having experienced bicentennial during my childhood in Sewickley, PA having 1970 for the year of my notable birth) – it has been Accumulative and Harassing causing Liable Damages for Decades – and direct attention toward ACTUAL culprits in lieu of Probable Cause so Ipso-Facto with due severity without neglect any longer.
